Additional funding information

We stretch funded hours across 50 weeks of the year for any child who attends on an all-year-round contract. For the 30 hours of funding from the beginning of September, the child would be eligible for 1140 hours of funded hours (38 weeks of funding), which is then divided by the number of weeks open per year (50 weeks). Therefore, families receive a maximum of 22.8 hours per week for 30 hours of funded childcare. Please note that if your child joins us later than the start of the academic year or becomes eligible for funded hours during the academic year, the funded weeks entitled to may be less than 38 weeks, and your total funded hours for the year may be different. Please speak to a member of management who can calculate the funded hours for you.

Agreed Essentials and Extras Charge:

We take pride in offering exceptional provision for the Early Years Foundation Stage; the local authority funding rate set by DfE is only intended to cover the minimum requirements of the EYFS.

The optional agreed essentials and extras charge covers the following items:

Essentials: Disposable childcare items. Additional arts and craft equipment/supplies (outside the minimum EYFS requirement) will also be provided. This provision, therefore, requires funding beyond that offered by Early Years Funding to ensure we can deliver exceptional service and care. Please note these are calculated on average.

Extras: our provision also includes subject specialist teaching, including Drama, Forest School, Music, Early Phonics/Reading, PE, Dance and Languages. In addition, the children have access to the Senior and Prep School facilities, outdoor lessons and access to the school sports fields.
