1.1 **GWcc': YgZG ddYa YbU7\Uf[YgUbXDUha Ybh**

(1.1) Any extra-curricular activities such as private music lessons, school organised clubs and trips in which you agree your child may participate in shall be deemed to be supplemental to items met by the Fees and charged for accordingly. In addition to this, charges incurred by the School in providing for special educational needs and exam fees shall be charged as supplemental to the Fees.

(1.2) Each person who has signed the Registration Form is liable for the whole of Fees due and any supplemental charges, unless the School has agreed in writing to look exclusively to any other person for payment of the Fees or any part of them.

(1.3) Each termly fee invoice must be paid by the following dates: Autumn Term - 31st August; Spring Term - 31st December; Summer Term - 30th April. If payments are not received on time, a late fee charge of £125 per week may be applied.

(1.4) We reserve the right to refuse to allow your Child to attend the School or to withhold any references while Fees or supplemental charges remain unpaid. An interest charge of 3% above the Bank of England base rate will be incurred on any late payment (this is in addition to the late fee charge of £125 as detailed in Section 4.3). You consent to our informing any other school or educational establishment to which you propose to send your Child of any outstanding Fees owed to the School. You also consent (if necessary) to permit the Credit Control Department of Alpha Schools to carry out a search (at any time) with a credit reference agency, keep a record of that search and may share that information with other businesses. You will be responsible for paying the costs we incur in recovering, or attempting to recover, any unpaid Fees or supplemental charges from you (including reasonable legal costs).

(1.5) Fees will be reviewed annually (immediately if UK legislation changes) and may be increased by such amount as the School considers reasonable.

(1.6) Fees and any supplemental charges will not be reduced as a result of absence due to illness or otherwise. In the event that your child takes study leave at home before or during public examinations or stays at home following those examinations, no reduction of Fees will be made in respect of such periods spent at home.
